PEFC™ / FSC® certified wood products

Lottmann Fensterbänke GmbH located at A-4462 Reichraming Austria, hereby guarantees that all our **fenorm wood products** can be manufactured from a PEFC™ / FSC® certified source.

PEFC™ / FSC® certification guarantees that all manipulated basic materials for the wood window sills are sourced from ecologically, economically and socially sustainable managed forestry.

To guarantee a product which is 100% certified, please inform us at time of order.

Reichraming, February 2018
